

Horizons of Innovation

EU RESEARCH COLLABORATION FORUM

5.12.2024. | Osijek

AGENDA

10:30 - 11:00	Registration of participants
11:00 - 11:15	Welcome speech
11:15 - 12:00	Plenary session: The path to Horizon projects
12:00 - 13:30	Horizon Mastermind: Expert consultations for your project ideas <i>Participants will benefit from short, targeted sessions designed to provide advice on preparing project proposals, identifying key partners, and crafting successful funding application strategies. Reservations for appointments must be made online, and participants should provide relevant information about the topic and/or call to enable experts to prepare adequately.</i>
12:00 - 13:30	Success Horizons: Inspirational examples of Horizon projects <i>Participants will have the opportunity to discover the stories behind successful projects funded by Horizon Europe, including the challenges faced and the lessons learned during the project's development.</i>
13:30 - 15:00	B2B Session <i>Sessions facilitate networking by enabling participants to schedule meetings with potential partners and collaborators through the online platform.</i>
12:00 - 15:00	Innovation Zone <i>Presentation of Innovations (creative teams, startups, spin-offs)</i>

Participation is free of charge. Reserve your place soon, as availability is limited!
